Lybster Tool Shed

Our Lybster Tool Shed is now up and running. We offer a range of practical and informal learning classes.

Drop In facility

We also offer a 'drop in' facility at the tool shed for those who want to come along and just have a chat. **Contact Eric on 01593 721283**

Intergenerational Work

We're also keen on encouraging more young people to use our facilities at the tool shed and share their skills with some of our older residents. Why not come along and see what we can offer you?

Allotments & Polytunnels

At the current time all our allotments and polytunnels boxes are fully booked. We currently have a waiting list (contact us if you want your name added)

Future Newsletters

This is our first newsletter in a few years and we will be distributing regular editions twice a year. Given the costs of printing, future editions will be available online. You can sign up to our subscribers list here. <http://www.llccdc.co.uk/newsletter/> We will however make printed copies available to anyone who doesn't have or use the internet. We will provide printed copies to other community organisations to distribute in due course.

Future Classes

If you have any ideas for classes or activities, we'd love to hear from you. Let us know and we'll be happy to research this as a possible future activity.

Contact Tom on 01593 721283

Upcycling Class

Our last upcycling class was completed in April this year. Our next course will be starting in October 2018 in our Tool Shed. Please contact the office for more information

Art & Craft Classes

We have our popular beginners art class starting on the 17th October, taught by Magi Sinclair. We also have an informal craft class on a Thursday afternoon. Past projects have involved decorative paper flowers, salt dough sculptures and card making. Please see our website for more information

Please contact the office to book a place

www.llccdc.co.uk

Woodturning Class

Our ever popular woodturning class starts up again on the 29th Oct. This class is taught by Leslie O'Neill who has many years of teaching experience and expertise.

Please contact us early as places are limited

Visit Our website

www.llccdc.co.uk

You can also find us on the our social media sites

Coming soon.....our *Fruit Cage Project* is taking shape for next year. If you want to volunteer with this or want more information, please contact us here at Seaview House. Feedback is welcome.

PUBLIC CONSULTATION

Proposals to redesign health and social care services in Caithness

Changes to NHS Highland health and social care services are being proposed for Caithness. It offers the potential to attract up to £30m of investment to enhance and improve local services.

This public consultation will run from Monday 20th August to Friday 23rd November 2018

NOTE THESE DATES:

TUESDAY 9TH OCTOBER 2018, 11:00 TO 15:00

DROP-IN SESSION

AT LATHERON, LYBSTER & CLYTH COMMUNITY DEVELOPMENT COMPANY, SEAVIEW HOUSE, HARBOUR ROAD, LYBSTER

YOUR CHANCE TO COMMENT

To find out more, including details on local events and meetings, please contact:

Christian Nicolson (Quality Improvement Lead)

Tel (01408) 664078 | Mob 07870513114

Email: christian.nicolson@nhs.net

www.nhshighland.scot.nhs.uk

Please submit your views no later than 23rd November 2018

The consultation summary document will be delivered to every home and business in the area during the week beginning 5th September 2018

Photography Class

The beginners/intermediate photography class starts on the 18th October. This is taught by professional photographer Angus Mackay. Although Angus welcomes beginners to the class, we would expect the student to own or have access to a DSLR Camera. Topics covered include composition, depth of field, exposure, focusing and other camera techniques including the use of additional lenses.

If anyone is interested in learning photo editing (i.e. Photoshop), we are currently looking at setting up a class in the near future. Give us a call on 01593 721283 if you would like to be added to our list.
