Connecting People, Connecting Communities

Spring 2024

I have listened to your feedback and here it is, the first LLCCDC newsletter of 2024!

Spring is just days away, it's the season that symbolises transformations and fresh starts. So with this in mind and my own journey beginning with LLCCDC and the community, it is an ideal opportunity to celebrate new beginnings all round!

Most of you already know that I have moved back 'home' after a number of years in Dundee. I can honestly say its been a good decision, Its lovely to be back amongst my family and friends again. I have also received a warm welcome from everyone I have met so far through LLCCDC and I thank you for that.

As the year progresses I plan to get out and about exploring and meeting people. I do in fact have a wee project in mind, I shall keep you updated on this through the newsletter and with regular updates on our facebook page, <https://www.facebook.com/llccdc> and our website www.llccdc.co.uk; so stay tuned!

Alex x
(Centre and Development Manager)

THE AIMS

- Update on our services
- Update on whats been happening at LLCCDC
- Provide an opportunity for you to become involved
- Celebrate the area you reside and the communities who thrive within

Connecting People, Connecting Communities

WHATS BEEN HAPPENING...

- Our **AGM** was held on 26th February at Seaview House. We received some great feedback and ideas. Thank you to everyone who came along.
- The first **woodturning** course of 2024 is in full swing with tutor Leslie o'Neill. Participants are learning the basics including use of the lathe. Photos to the right show some of the participants learning the craft.
- The **botanical printing** club has restarted its monthly meetings in Seaview House. The photo to the right shows how flowers and leaves are used to create the unique printing design.
- The **Lybster and Tannach zoom art group** held their final session for winter recently. The group regularly meet online with thanks to funding received from the Lybster & Tannach fund. The group enjoy a face to face as a finale, which we are happy to facilitate at Seaview House. Photos below show some of the amazing artwork that has been produced with thanks to tutor, Magi Sinclair.

LLCCDC SERVICES INCLUDE

- Meeting room hire
- Fully equipped tool shed
- Photocopying (fees may apply)

Come and see how we can support you at
LLCCDC

A FEW FUN FACTS

- *Latheron* comes from Scottish gaelic meaning "muddy place".
- *Clyth* is a popular female first name in the UAE.
- *Lybster* comes from Old Norse meaning "slope farmstead"
